Summary

Date & Time: April 08, 2023 11:02

Meeting Id: zun-susy-ikt

djadhav20comp@student.mes.ac.in

Attendee No :3

Duration: 3

Summary:

You, CEA626 and Jayesh Rajbhar were selected for Deep Blue HACKATHON. They have to create an application which could summarize the online meetings. You will create an extension in JavaScript. It will capture the caption from the meeting and generate a transcript. The transcript will be given to the model.
CEA512, TEJAS KADAM, CEA626, You and Jayesh Rajbhar are going to have a follow-up on Monday at 11 am. They will generate summary for the transcript and show all the previous data once the user logged in.
